Ms. Jillian Adair,

Anacostia Watershed Society has a concern regarding the revision of the Anacostia trash TMDLs. Our letter to express the concern is attached. We appreciate if you could examine our concern and take it into consideration.

I am wondering if I should send a hard-copy to you by regular mail or not. It may be troublesome for you to receive the letter both by email and by regular mail since it will be duplicate.  
Should I send a hard-copy to you?

Thank you.

Masaya
